DISASTER . . .

. Is been here two weeks and look what a cries Carol Brunner and Jill Fairbourn

The fire meant overtime work for our Janitors!

Monday, September 22, 1975.

Fire was reported at Capital High School. It was located in the critical area of the business office, destroying all financial records. The bookroom and darkroom were also damaged. Total damage was estimated at over \$100,000 00. The result was a temporary darkroom in the Pep Club office, a new Pep Club office, and a new finance office. School was dismissed for three days. Further investigation revealed ar attempted fire in the auditorium. The fire was found to be arson caused

CLASSES

The Class of 1976 is an active one, with involvement and contributions in every phase of school activity. Some activities that, hopefully, the school knew nothing about

Seriously, though, this year's seniors were a fun-loving, easy-going class. Although we must now go our separate ways, we have acquired friendships and memories that will never leave us.

I believe I speak for the whole class in wishing the Junior and Sophomore classes the kind of worthwhile, enjoyable Senior year that we have had.

The outstanding freshman classes from Fairmont and Hillside Junior High Schools have combined to form perhaps the most talented class ever to walk the halls of Capital High School.

The accomplishments of the Sophomores in 1975-76 are many. They have done much to continue and entich Capital's excellent reputation in sports, drama, speech, debate, music, art, and all academic achievements.

As Sophomores continue to contribute to Capital's reputation of excellence during their Junior and Senior years, they will be proud to be members of the graduating class of 78

CAPITAL VARSITY FOOTBALL

As the 1975 season unfolded, Capital was undefeated and the defending State Champs. However, in preseason polls, Capital was expected to finish no higher than 5th or 6th. Not only did the 1975 Eagles meet the expectations, but they actually challenged for the championship in their concluding game of the season.

The progress in football from that of an awed, enthusiastic sophomore to that of a mature, dedicated senior is a complicated one. As players and coaches, we can appreciate that the game of football has much more depth to it than the superficial glitter which is all the public sees. The important thing about playing football is not only the scores, but the effort, the loyalities, the successes, the failures, the disciplines, the friendships and the maturing of all people related to the game

Traditions are built on excellence and excellence is the natural by-product of taking a good product and exerting time and effort in its development. Our staff does not have to be convinced that some of the finest individuals at Capital are members of the 1975 football team

Football is a game a great deal like life, in that a man's personal commitment be toward success. Each week there is a new challenge, but the spirit, the will to win, and the will to excell are the things that endure. These are the qualities which are so much more important than any of the events which occasion them. These are the qualities that abound among members of the 1975 Capital Eagles. For myself, it has been a privilege and an honor to coach and to associate with these young men

This season was an enjoyable season for the coaching staff, Steve Vogal, Ron Thompson, and myself

This year's sophomore football team got started on the wrong foot losing to Twin Falls 30-27, and Meridian 24-12. The Twin Falls game was a comedy of turnovers with Capital losing 6 fumbles while averaging 258 yards more than Twin. The Meridian games saw our sophomores beat by a good team. Capital was without 7 starters and the loss the week before made it tough. Capital beat Borah by a score of 25-14, and got Capital rolling towards their fine season. Capital beat Boise 21-0, Nampa 28 8. The last win was extremely gratifying because Capital finally put a total game together with a devastating hard hitting defense and an offense that scored when it had to. Borah was hard hitting which made the game a field of injuries. This is one of the hardest hitting games played this year

The 1975 Sophomores will be ready for the next two years as Juniors and Seniors and will help Capital's Varsity on to the State Championship.

COACH'S COMMENTS

We started out this year full of high hopes after placing third in the state in 1974. Since only one runner had graduated, everyone was sure we could improve

Our chances for success were based on Sentors Charlie Wittner. Terry Funk, Doug Campbell, Rich Waddel, and Juniors Greg Funk, Mark Tracy, and Brian Bechtel. We won the first 4 meets of the year very easily, as Charlie proved himself to be the class of the state at 3 miles. First year runner Rich Waddell was looking super and so were the Funk brothers

Then disaster struck us!

Charlie broke his foot from running so much and Terry Funk tore his knee up and had to have surgery. What looked like a super year was rapidly turning into a nightmare

I he rest of the team railied to run tough at District, but barely failed to qualify for state. Greg Funk carried the Capital colors to the State meet and did a super job to place 15th

This season taught us to take the meets one at a time, and be thankful for our success

Thank you Rich, Charlie, Doug, and Terry for your years of dedication.

THE SEASON

The 1975-76 edition of Eagle Wrestling began in November with little experience few skills, and a long road ahead. A team dominated by the presence of unexperienced Sophomores and Juniors and crippled by the absence of Seniors, the young Eagles began to build an idea, a hope, a dream, a conquest. Each day the enthusiasm and dedication grew; first slowly and then taster and faster like a rolling snowball Hard work became the symbol of each day From the day to day hustle and dedication of the young Eagles, an attitude emerged An attitude of dedication to the building of a solid competitive wrestling program of Capital High School

For me personally, 1975 76 will be classified as a disappointing season: dual new 9-4, best tournament finish 4th only three wrestlers qualified for state. Skip Carter, District Champion: John DeVanaspre, 3rd in district; Randy Osler 4th in district. However, from this disappointment both Coach Stevens and myself feel a new attitude has arisen. A new sense of dedication and confidence in one's abilities. As the hard, work continues and our wrestlers increase their skill factors, the 1976-77 season will be a great one for the Eagle Wrestlers.

A SEASON WRAP UP

The 1975-76 baskethall season will be remembered as the year of "hustle, heart and DEFENSE." The season was a 24 win. 2 loss year. Both losses, to Highland and Idaho Falls, were redeemed as wins during the state tournament.

At the start of the season Capital was picked as the fifth place team of the first and not regarded as one of the first in the state tournament, nor considered as an SIC contender. However, with our first win over Mtn. Home through our last win over Highland, the Capital Eagles amazed the fans, opponents, and coaches

The Eagles won their first fifteen games and established a well publicized forty-one game winning streak. The year ended with the Eagles defeating Meridian for the third time to win the Regional Championship. The following week Capital defeation. Lewiston, Idaho Falls, and then High to Win the State Championship.

Bill Hessing, SIC player of the year, most valuable player, and First Team All State was our point guard. Joe Huff and Brent Lind, the other senior guards epitomized our team with hustle and heart. Dennis McCracken filled in when Joe had a broken arm and did an outstanding job

In trivard positions were played by Science First SIC. First Team All State sophomore in school Brian Welch. Senior Steve Irons, Gr., Bennett, and Eric Carter came off the bench and played important holes in numerous wins, with great desire hustle and attitude

Dale Zimmerman started out at our low post position. Throughout the entire year he inspired many fans and teammates with his play

Kipp Bedard our heli forward had an incredible season. His intense and concentrate play excited many people.

Dean Warr, Casey Zollinger, and Mike Vaffey also placed on both the Varsity and Junior Varsity teams.

proficiently by Keith Gillette, Tim Boyle and Brian Sheehy

The success of our year was pred a tree defense, and a "never give up attitude."

The varsity cheerleaders got off to good start this year. They placed first at the cheerleading camp they attended in July at Scartte Washington. Aside from placing first they learned unique new cheers and presentations.

The sophomore cheerleaders did a great job supporting the sophomore teams, and helping the varsity cheerleaders at the varsity games.

A big thanks goes to all of the cheerleaders for giving up much of their free time to support Capital, and for encouraging student participation in the activities of the school

The big day began with our chaperones bringing all of us breakfast in bed. We all got ready and were transported to downtown Dallas. There we had some final practice, clown entertainment, along with plenty of words of encouragement. We stepped out to begin the parade. We marched proudly in front of what we thought would be millions of T.V. viewers. Very soon after we in ached our bases, we were informed of the callera malfunction resulting in a loss of picture and grave disappointment. However, the parade in itself was very satisfying because the people on the streets were very warm and complimentary. The disappointment has only in the fact that all our supporters had no real satisfaction for all they did

After the parade we went to the Cotton Bowl Game. It was a time for some to get in their weekend football, others to get some sleep, and others just have plain fun. (PIG SOOIF!!)

Who knows how many times we've wondered if it is all worth it. All the hours of work, cropping, proportioning, hurrying to meet deadlines, and find the hours of work, pictures. Hopefully, these pages can be a lasting proof that it was to a first of the pictures and words can recreate the excitement, happy cas, and it is the first of the throughout the year.

A special thanks goes to the faculty for their patience and understanding. They often excused staff members to do last minute work to finish deadlines. Also our fellow staff workers deserve thanks for their work and patience. Finally, we can not say enough to thank Mr Stanley Fromburg for all his work, guidance, advise and ceaseless patience.

We the last of all,
are the first of all.
The oldest is always
the newest.
I see nothing which
I have seen before.
Got to move on.
